2. Pre-enroll for cardscan submission at UEnroll.identogo.com. All processing fees will be collected during the pre-enrollment process. A pre-enrollment confirmation page will be provided once registration is complete.
3. Print and sign the completed pre-enrollment confirmation page, which includes the barcode printed on the top right of the page. Mail the signed pre-enrollment confirmation page and the completed fingerprint card to the mailing address provided by your agency or during this pre-enrollment process. For further instructions, each applicant should contact their employer or agency contacts for those details.

Please review the following pages for more detailed instructions regarding the Universal Enrollment Platform Pre-Enrollment process.

The main heading is 'Enter your Service Code to get started.' Below this is a text input field labeled 'Enter Code' and a blue 'GO' button, both highlighted with a red rectangular border. Underneath the input field, there is a link: 'Don't know your Service Code? Contact your agency or [click here.](#)'. A small line of text below that states: 'IdentoGO® has a growing number of convenient locations across the U.S. to meet your identity-related needs.' Below this section are two blue boxes with icons and text: 'Check the Status of your Service' (with a checkmark icon) and 'Manage an existing Appointment' (with a calendar icon). If you have **not yet** been provided a Service Code by the requesting agency, follow the link labeled “Don’t know your Service Code? [Click Here](#)” to select from a list of agency names or use the agency ORI or contact your agency for assistance.

ATTENTION!

All applicants are strongly encouraged to visit an enrollment center to have their fingerprints collected. Submitting a hard-card should be a last resort for either out of state applicants or home-bound applicants.

- Please be aware that submission of incorrect or invalid data, including but not limited to incorrect agency, fingerprint reason, or applicant demographic data, that results in the need to conduct a new fingerprint submission will be at the applicant's cost.
- Fingerprints submitted on hard-cards are typically of lower quality and often result in FBI rejections
- Processing of hard-card submissions takes significantly longer and will cause delays for you and your agency

Please confirm with your agency or organization that you are eligible to submit your fingerprints by hard-card.
